Cherrybank Gardens

Mairi's Wedding

Extras : West's Hornpipe; MacDonald of the Isles; Tribute to the Borders

Please reserve with Janet (mhseds@marchand.me.uk / 07789 528004) so we can let you know of any changes – or turn up on the door.

The Leicestershire and Rutland Blood Bikes are a totally volunteer based charity supporting local health organisations in Leicestershire and Rutland as well as our local Air Ambulance. The group provide free out of hours movement of blood, blood samples, human milk and other medical supplies, all year round.

We are trying the earlier start although it does mean we have to pay for parking until 6pm. We thought 3 hours in a short stay car park at £2 or £2.50 for 4 hours in a Long Stay Car Park would be worth it for getting home earlier in the evening.
