

Photography Policy

Notice & Permission

Please be aware that we like to capture photo images and video footage of dancers and musicians at classes and events to use for promotional purposes. The RSCDS feels that it is important to document dancing and music at specific events in order to show the world just how much fun and challenge that Scottish Country Dancing can provide, to preserve these moments for future generations and to capture the excitement and energy of social dancing.

We will advise if photography is taking place during a class or event by displaying a notice and making an announcement, so that anyone attending can say they do not wish to be included in any photographs or videos.

However, if a member does not wish to be photographed or have their image broadcast, please sign this form accordingly, otherwise we will assume that we have your permission.

Thank you for your understanding.

I/We the undersigned do not wish to be included in any promotional activity undertaken by RSCDS.
